## BOURNEMOUTH YOUTH HANDBELL TEAM

Over the last 20 years, the **Bournemouth Youth Handbell Team**, a high-level musical ensemble, has been the talking point for musicians and audiences at concerts, festivals, workshops, local, national and international events.

Twice winners of an **Outstanding Performance Award** at the **National Festival of Music for Youth**, and as a self-funding ensemble, we need your help in order to ensure the continuing support of the **musical education, engagement and enjoyment for a new generation of young people**.

Please see how you may be able to help.

### BYHT in action - Sponsor us today!

# You can help us!

## Concert Tour - Barcelona, July 2025

To celebrate our 20 year milestone, we're planning a Concert Tour in July 2025, to the vibrant city of Barcelona. The artist and architect Antoni Gaudi is linked with the city, through his extraordinary and visionary designs.

- We will perform at three concerts in the region, one of which, we hope, will be at the iconic Basilica Sagrada Familia!

## Sponsor a young musician today! £100, £300, £500, £1000 or your own amount

The BYHT is led by Musical Director Cathy Beeby, herself an experienced professional musician, teacher, composer and arranger. In recognition of the long-standing contribution she has made to youth education and music, Cathy was awarded the Honoured Member Certificate by the Handbell Ringers of Great Britain.

- **Membership of the BYHT enriches the lives of young people ... our future adults!**
- Social, communication, team-work skills
- Co-ordination, concentration
- Listening, creativity, performance
- Commitment & perseverance

The skills learnt as members of the BYHT stay with them for life, helping them to become confident adults who will support others in the future.

## Port-a-Bell Flight Cases Six cases at £800 each - £4800 (including shipping)

Our ageing bell cases need replacing. Many are more than twenty years old; and are literally held together with gaffer tape!

- These new cases, made in the US, are extremely robust and ideal for us to use on tour and allow our bells to fit in perfectly.
- We need a set of six, to accommodate all our bells safely and securely.

# What we can do for you...

- For sponsors over £500, the opportunity for a Concert, or a Team-building session led by our Musical Director, Cathy Beeby
- Prominent publicity and links on our website
- Publicity, logos and editorial in our Concert Programmes.
- UK and foreign tour publicity

**As a self- funding organisation we rely on your support - please help us, today!**

Thank you for your interest in the **Bournemouth Youth Handbell Team**. We look forward to hearing from you.
